

Schedule 5(a)- Cloud Services Pricing

Summary

This Cloud Services Pricing (“Pricing”) is made by and between (“Cloud Services Reseller” or “CSR”) and One Point Technologies, Inc., a Kansas corporation (“Cloud Service Provider” or “CSP”), and its division d/b/a Networks Plus, (“Distributor”) having offices at 1559 Pony Express Highway, Home, KS 66438-9762. This Pricing is an addendum to the Cloud Services Reseller Agreement (“Agreement”) and is subject to all rights, codicils, and restrictions contained therein. This Pricing shall be deemed effective as of the date the CSR accepts the Agreement (“Effective Date”). CSR and Distributor hereby agree as follows:

1 CSP Pricing

- a. All pricing throughout this agreement is based on the standard CSP pricing model. The model is based on the following:
 - i. Processor - \$.02/per processor/per hour
 - ii. Memory - \$.05/per GB/per hour
 - iii. Storage - \$.00035/per GB/per hour
 - iv. Microsoft operating systems and applications per SPLA pricing
 - v. All cloud services machines are billed on a flat rate per month, based on calculating the resources outlined above in 1) a.) i.-iii. at 720 hours/month (24 hours X 30 days) plus the cost of the SPLA licensing.

2 CSR Discounts

- a. CSR will be entitled to discounts based on revenue attainment.
- b. The revenue attainment discount will be calculated based on the total revenue received by the CSP from the CSR monthly.
- c. Revenue attainment schedule:

Monthly Revenue	Discount
\$0-\$250	5%
\$251-\$2499	7.5%
\$2500-\$9999	10%
\$10,000+	15%
